

CITY OF RIO RANCHO
IFB 16-PW-013
Broadmoor Boulevard Construction Project

Sealed bids for the project will be received at the Office of the City Clerk, City of Rio Rancho, in City Hall, 3200 Civic Center Circle NE, 1st Floor, Room #150, Rio Rancho New Mexico 87144, no later than **3:00 p.m., Local time, April 7, 2016** at which time the public opening and reading of bids received will be conducted in the Department of Financial Services Conference Room.

Project Description:

The City of Rio Rancho is soliciting formal bids for the construction of Broadmoor Boulevard. This project stretches from Northern Blvd. to north of Paseo del Volcan, and includes roadway improvements consisting of crack-seal, and overlay for the existing section from Northern to Linderhoff Ave, and a new two-lane paved roadway would be constructed from Linderhoff Avenue to Paseo del Volcan. The typical section would consist of two 12-foot driving lanes and two 2-foot shoulders. There would be a 2.0-foot curb and gutter on the outside west roadway lane from Marksbury Avenue to Norwich Avenue. South of the Montezuma Boulevard intersection, there would be an 8-foot vertical cut to correct sight distance issues. At the intersection of Idalia Road and Broadmoor Boulevard, pavement widening would occur on all legs of the intersection to provide for a right or left-turn bay. A temporary signal would be installed to improve intersection safety. At the Paseo del Volcan intersection, a dedicated northbound right-turn lane would be constructed. A traffic signal would be installed at the intersection of Broadmoor Blvd. and Paseo del Volcan. Pavement widening will occur along the east side of Broadmoor Blvd. north of Paseo del Volcan to accommodate the lane configuration at the traffic signal. Corrugated metal pipes (CMPs) would be installed under the new stretch of roadway to facilitate drainage. Access roads on the east side of Broadmoor Boulevard at the northern end will be graded to provide access to future area homes. The roads will be two 12-foot unimproved lanes. The road would be 24 feet wide with a 50-foot right-of-way.

A Pre-Bid conference will be held at 11:00 a.m., Local time, March 21, 2016 in the Department of Financial Services Conference Room, City of Rio Rancho, in City Hall, 3200 Civic Center Circle NE, Room 300, Rio Rancho, NM 87144.
